INDEX TO VOLUME 58

The volume is indexed by SUBJECTS and AUTHORS, in that order.

SUBJECTS

Adolescence

Assessment, management, and treatment planning for male adolescent sexual offenders, 571
Characteristics of female adolescent sexual offenders, 148
Disturbed sleep and worries among learning disabled adolescents, 428
Multiple indicators of success in residential youth care and treatment, 143
Patterns of behavior in adolescent rape, 179

Adolescent Parenting/Pregnancy

Child maltreatment and teenage first births: a relationship mediated by chronic sociodemographic stress?, 91
Preventing infant mortality and morbidity: developmental perspectives, 288
Race, class, and adolescent pregnancy: an ecological analysis, 339
Teenage pregnancy from the father's perspective, 46

Adoption

Fathers of adopted children: a study of the impact of child surrender on birthfathers, 240
Psychiatric disorders in adopted children: a controlled study, 608

Aging

Intergenerational conflict: middle-aged women caring for demented older relatives, 405

Behavior Problems

Disturbed sleep and worries among learning disabled adolescents, 428
Efficacy of behavior management versus methylphenidate in a hyperactive child: the role of dynamics, 466
Elementary students in classes for the emotionally disturbed: characteristics and classroom behavior, 65
Family therapy for learning disabled and attention deficit disordered children, 196
Language disorders and attention deficit disorders in young children referred for psychiatric services: analysis of prevalence and a conceptual synthesis, 52
Parent, teacher, and hospital staff evaluations of severely disturbed children, 512
Patterns of behavior in adolescent rape, 179
Psychiatric disorders in adopted children: a controlled study, 608

Bereavement

Perinatal grief scale: development and initial validation, 435
Support groups for bereaved preschool and school-age children, 562

Censorship

Censorship of pornography: catharsis or learning?, 492

Child Abuse/Neglect

Abuse and victimization: a life-span developmental perspective, 505
Characteristics of female adolescent sexual offenders, 148
Child maltreatment and teenage first births: a relationship mediated by chronic sociodemographic stress?, 91
Clarifying erroneous child sexual abuse allegations, 618
Decision-making in cases of intrafamilial child sexual abuse, 121
Hierarchical model for evaluation of child sexual abuse, 129
Psychological and behavioral correlates of family violence in child witnesses and victims, 77
Sampling biases and implications for child abuse research, 260
Symptomatology in men who were molested as children: a comparison study, 457

Child Care/Day Care

Child care and attachment: a new frontier the second time around, 16
Effects of variant types of child care experience on the adaptive behavior of kindergarten children, 297
Medical and social science basis for a national infant care leave policy, 324

Child Custody

Child custody mediation: an interdisciplinary synthesis, 379
Child custody and relitigation: trends in a rural setting, 604
Preventive intervention program for parents and young children in joint custody arrangements, 168
Sex differences in children's response to parental divorce: 1. Research methodology and postdivorce family forms, 355

Child Psychiatry

Client characteristics as determinants of intervention modality and therapy progress, 543
Elementary students in classes for the emotionally disturbed: characteristics and classroom behavior, 65
Extreme illness exaggeration in pediatric patients: a variant of Munchausen's by Proxy?, 188
Family therapy for learning disabled and attention deficit disordered children, 196
Language disorders and attention deficit disorders in young children referred for psychiatric services: analysis of prevalence and a conceptual synthesis, 52
Model for group intervention with preschool children experiencing separation and divorce, 387
Parent, teacher, and hospital staff evaluations of severely disturbed children, 512
Psychiatric disorders in adopted children: a controlled study, 608
Psychosocial coping in young adulthood of male child psychiatric outpatients: implications of early treatment, 524
Screening for psychosocial dysfunction in economically disadvantaged and minority group children: further validation of the Pediatric Symptom Checklist, 450
Seclusion in context: introducing a seclusion room into a children's unit of a municipal hospital, 462
Support groups for bereaved preschool and school-age children, 562

Child Rearing/Development

Child care and attachment: a new frontier the second time around, 16
Effects of variant types of child care experience on the adaptive behavior of kindergarten children, 297
Group for parents of children with fatal genetic illnesses, 397
Medical and social science basis for a national infant care leave policy, 324
Model for group intervention with preschool children experiencing separation and divorce, 387
Parental self-concept: a theoretical exploration and practical application, 281
Preventing childhood injury: developmental and mental health issues, 25
Psychosocial adaptation of siblings of children with chronic medical illnesses, 211
Rapprochement in the psychic development of the toddler: a transactional perspective, 4
Relation of defensive style and thematic content to children's enjoyment and comprehension of joking riddles, 249
Sex differences in children's response to parental divorce: 1. Research methodology and postdivorce family forms, 355
Stability of temperament characteristics in childhood, 622
Support groups for bereaved preschool and school-age children, 562

Chronic Mental Illness

Intergenerational conflict: middle-aged women caring for demented older relatives, 405
Social disability in the young adult mentally ill, 613

Community Mental Health

Implications of involuntary outpatient commitment for community mental health agencies, 580
Preventing infant mortality and morbidity: developmental perspectives, 288
Social disability in the young adult mentally ill, 613

Depression

Mutual aid for affective disorders: the Manic Depressive and Depressive Association, 152

Divorce

Child custody mediation: an interdisciplinary synthesis, 379
Child custody and relitigation: trends in a rural setting, 604
Model for group intervention with preschool children experiencing separation and divorce, 387
Preventive intervention program for parents and young children in joint custody arrangements, 168
Sex differences in children's response to parental divorce: 1. Research methodology and postdivorce family forms, 355
Significance of time in adjustment to marital separation, 221

Emotional Disturbance

Elementary students in classes for the emotionally disturbed: characteristics and classroom behavior, 65
Parent, teacher, and hospital staff evaluations of severely disturbed children, 512

Ethnicity/Race/Minorities

Ethnic factors in group process: cultural dynamics in multi-ethnic therapy groups, 136
Race, class, and adolescent pregnancy: an ecological analysis, 339
Screening for psychosocial dysfunction in economically disadvantaged and minority group children: further validation of the Pediatric Symptom Checklist, 450
Stress in black, low-income, single-parent families: normative and dysfunctional patterns, 104

Families

Child temperament and parental perceptions of individual child adjustment: an intrafamilial analysis, 532
Effects of variant types of child care experience on the adaptive behavior of kindergarten children, 297
Intergenerational conflict: middle-aged women caring for demented older relatives, 405
Parental self-concept: a theoretical exploration and practical application, 281
Psychosocial adaptation of siblings of children with chronic medical illnesses, 211
Stress in black, low-income, single-parent families: normative and dysfunctional patterns, 104

Family Therapy

Client characteristics as determinants of intervention modality and therapy progress, 543

Family therapy for learning disabled and attention deficit disordered children, 196

Family Violence

Decision-making in cases of intrafamilial child sexual abuse, 121
Psychological and behavioral correlates of family violence in child witnesses and victims, 77

Fathers

Fathers of adopted children: a study of the impact of child surrender on birthfathers, 240
Teenage pregnancy from the father's perspective, 46

Group Treatment

Ethnic factors in group process: cultural dynamics in multi-ethnic therapy groups, 136
Group for parents of children with fatal genetic illnesses, 397
Model for group intervention with preschool children experiencing separation and divorce, 387

Hospital Psychiatry

Parent, teacher, and hospital staff evaluations of severely disturbed children, 512
Seclusion in context: introducing a seclusion room into a children's unit of a municipal hospital, 462

Hyperactivity

Efficacy of behavior management versus methylphenidate in a hyperactive child: the role of dynamics, 466
Family therapy for learning disabled and attention deficit disordered children, 196
Language disorders and attention deficit disorders in young children referred for psychiatric services: analysis of prevalence and conceptual synthesis, 52

Infancy

Child care and attachment: a new frontier the second time around, 16
Medical and social science basis for a national infant care leave policy, 324
Parental self-concept: a theoretical exploration and practical application, 281
Preventing infant mortality and morbidity: developmental perspectives, 288
Rapprochement in the psychic development of the toddler: a transactional perspective, 4

Interviews

Who should ask? Ethical interviewing in psychiatric epidemiology studies, 228
Next best thing to being there: conducting the clinical research interview by telephone, 418

Law/Legislation

Censorship of pornography: catharsis or learning?, 492
Child custody and relitigation: trends in a rural setting, 604
Implications of involuntary outpatient commitment for community mental health agencies, 580
Medical and social science basis for a national infant care leave policy, 324

Learning Problems/Language Disorders

Disturbed sleep and worries among learning disabled adolescents, 428
Family therapy for learning disabled and attention deficit disordered children, 196
Language disorders and attention deficit disorders in young children referred for psychiatric services: analysis of prevalence and a conceptual synthesis, 52

Mental Health Care System

Financing outpatient mental health care: how much does insurance actually help?, 470
Psychiatry in a troubled world: the relation of clinical practice and social reality, 484

Outpatient Care

Financing outpatient mental health care: how much does insurance actually help?, 470
Implications of involuntary outpatient commitment for community mental health agencies, 580
Psychosocial coping in young adulthood of male child psychiatric outpatients: implications of early treatment, 524

Pediatrics/Obstetrics

After treatment ends: psychosocial sequelae in pediatric cancer survivors, 552
Extreme illness exaggeration in pediatric patients: a variant of Munchausen's by Proxy?, 188
Psychosocial adaptation of siblings of children with chronic medical illnesses, 211
Screening for psychosocial dysfunction in economically disadvantaged and minority group children: further validation of the Pediatric Symptom Checklist, 450
Temperament in children delivered by vacuum extraction, 304

Physical Disability/Illness

After treatment ends: psychosocial sequelae in pediatric cancer survivors, 552
Extreme illness exaggeration in pediatric patients: a variant of Munchausen's by Proxy?, 188
Group for parents of children with fatal genetic illnesses, 397
Preventing childhood injury: developmental and mental health issues, 25
Psychosocial adaptation of siblings of children with chronic medical illnesses, 211

Pornography

Censorship of pornography: catharsis or learning?, 492

Poverty

Preventing infant mortality and morbidity: developmental perspectives, 288
Screening for psychosocial dysfunction in economically disadvantaged and minority group children:

further validation of the Pediatric Symptom Checklist, 450
Stress in black, low-income, single-parent families: normative and dysfunctional patterns, 104

Professional Ethics

Who should ask? Ethical interviewing in psychiatric epidemiology studies, 228

Psychiatry

Psychiatry in a troubled world: the relation of clinical practice and social reality, 484

Psychopharmacology

Efficacy of behavior management versus methylphenidate in a hyperactive child: the role of dynamics, 466

Psychotherapy

Assessment, management, and treatment planning for male adolescent sexual offenders, 571
Client characteristics as determinants of intervention modality and therapy progress, 543
Ethnic factors in group process: cultural dynamics in multi-ethnic therapy groups, 136
Model for group intervention with preschool children experiencing separation and divorce, 387
Parental self-concept: a theoretical exploration and practical application, 281
Psychiatry in a troubled world: the relation of clinical practice and social reality, 484

Rehabilitation

Exploring the helping relationship between the schizophrenic client and rehabilitation therapist, 271

Research

Child care and attachment: a new frontier the second time around, 16
Next best thing to being there: conducting the clinical research interview by telephone, 418
Sampling biases and implications for child abuse research, 260
Screening for psychosocial dysfunction in economically disadvantaged and minority group children, 450
Sex differences in children's response to parental divorce: 1. Research methodology and postdivorce family forms, 355
Who should ask? Ethical interviewing in psychiatric epidemiology studies, 228

Residential Treatment

Multiple indicators of success in residential youth care and treatment, 143

Schizophrenia

Exploring the helping relationship between the schizophrenic client and rehabilitation therapist, 271

School Psychology

Elementary students in classes for the emotionally disturbed: characteristics and classroom behavior, 65
Efficacy of behavior management versus methylphenidate in a hyperactive child: the role of dynamics, 466

Sexual Abuse

Abuse and victimization: a life-span developmental perspective, 505
Assessment, management, and treatment planning for male adolescent sexual offenders, 571
Characteristics of female adolescent sexual offenders, 148
Clarifying erroneous child sexual abuse allegations, 618
Decision-making in cases of intrafamilial child sexual abuse, 121
Hierarchical model for evaluation of child sexual abuse, 129
Patterns of behavior in adolescent rape, 179
Symptomatology in men who were molested as children: a comparison study, 457

Social Behavior

Child temperament and parental perceptions of individual child adjustment: an intrafamilial analysis, 532
Effects of variant types of child care experience on the adaptive behavior of kindergarten children, 297
Psychosocial adaptation of siblings of children with chronic medical illnesses, 211

Social Class

Child maltreatment and teenage first births: a relationship mediated by chronic sociodemographic stress?, 91
Preventing infant mortality and morbidity: developmental perspectives, 288
Race, class, and adolescent pregnancy: an ecological analysis, 339
Screening for psychosocial dysfunction in economically disadvantaged and minority group children: further validation of the Pediatric Symptom Checklist, 450
Stress in black, low-income, single-parent families: normative and dysfunctional patterns, 104

Social Policy

Censorship of pornography: catharsis or learning?, 492
Medical and social science basis for a national infant care leave policy, 324
Psychiatry in a troubled world: the relation of clinical practice and social reality, 484

Social Support

Group for parents of children with fatal genetic illnesses, 397
Mutual aid for affective disorders: the Manic Depressive and Depressive Association, 152

Support groups for bereaved preschool and school-age children, 562
Systemic organizational support for self-help groups, 592

Special Education

Elementary students in classes for the emotionally disturbed: characteristics and classroom behavior, 65

Stress

Child maltreatment and teenage first births: a relationship mediated by chronic sociodemographic stress, 91
Stress in black, low-income, single-parent families: normative and dysfunctional patterns, 104

Temperament

Child temperament and parental perceptions of individual child adjustment: an intrafamilial analysis, 532
Stability of temperament characteristics in childhood, 622
Temperament in children delivered by vacuum extraction, 304
